Who we are

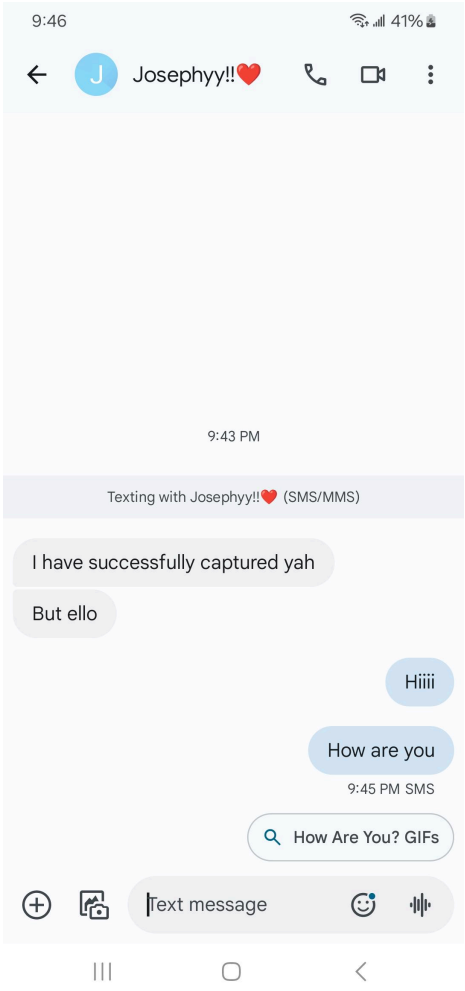
Like “JOE HAWLEY 1.5 SPACED” there will be two people behind this doc. I am Everly, I will be writing the doc for the most part. I was 13 when I first started talking to Joe, I am 16 as of January 2025. I am Asexual Biromantic and nonbinary, THIS WILL BE IMPORTANT LATER. I use She/They pronouns. Charlie Is my friend who will also be a part of the doc. He was 11, ELEVEN, when it started talking To Joe and is currently 14. He is Lesbian and Agender. It uses He/it pronouns. If Charlie is writing, the text will be orange. We both started talking to Joe on February 12th 2022, I stopped talking to Joe on December 28th 2024, Charlie stopped talking to him on January 2nd 2025.

How we met Joe

It was on Saturday, February 12th 2022. I met Joe in person, he was visiting Florida, so was I. My mom let me talk to him and he seemed pretty friendly at first. We talked for about 3 and a half hours before my family had to go back to the hotel. During this conversation with Joe I told him about myself, Charlie, and my family. He even asked for my number, and I didn't say no to

his number. I asked Charlie if it was ok if I gave Joe its number and it said yes. This is when Joe



first texted me.
(I was so flattered that I had to screenshot and show my friends, hence the pictures being taken the day I got the number)
Charlie : I got a text from a random number, I was super surprised when I found out it was Joe. We talked a bit before I went to bed.

Ableism

I have severe Adhd and autism. Charlie has anxiety, ocd and asd. Joe also has mental health issues. You wouldn't expect him to be such an ableist, since we were all

neurodivergent. The day I told him that me and Charlie were both autistic, things took a rough turn. He wouldn't believe we were autistic and would proceed to say that “everyone should be

Also btw Charlie just got his autism diagnosis in
So we are both autistic
So he's one of those self diagnosers?
Wanna be autistic?
At this point why can't autism be a choice y'know
11:10 AM
It's not a choice joe. It just so happens that autism is common
Aren't you schizophrenic?

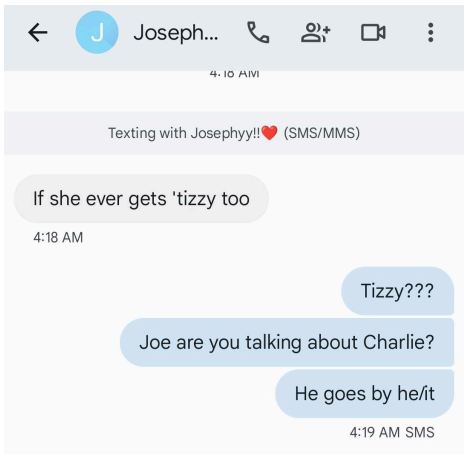
autistic” or something pretty close.



(I can't tell if he's using “tizzy” as a slur)

There has also been times where he

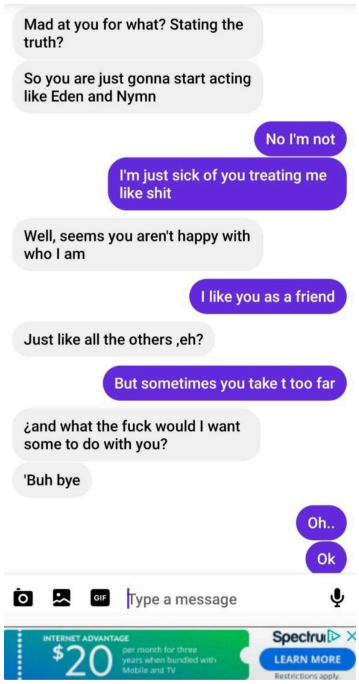
compared my and Charlie's disorders.

Now before I start the next chapter, I'm gonna put a huge tw for sexual content. If you are triggered by such topics please skip to Homophobia and Transphobia

Sexualization and pedophilia

If there is one thing me and Charlie can say without hesitation, it is that we never thought Joe would have any pedophilic intentions. He wanted to meet us Friday August 22nd 2022 at Civic Center park. This is the first time he asked to meet me, and Charlie would get to meet him. I said yes, and so did Charlie and his parents. My parents said yes. We all trusted Joe. Keep in mind this was the first time I got to meet Charlie. I had turned 14 last month, Charlie was 11. When we arrived at the park both Of our parents had left us with Joe as if he was some type of sitter. We would talk about our lives with Joe and he would talk about his. Then he would go on to compliment us like call us pretty, adorable and even more. Even though we felt only platonic love for him, we felt flattered and spoiled. I went to get my bag for a drink of water. I turned around and saw what looked like Joe flirting with Charlie. It was uncomfortable that Joe was flirting with him. Keep in mind, this was less than a month before Joe's 40th birthday. A 40 year old, flirting with an 11 year old. A FORTY YEAR OLD. FLIRTING WITH A FUCKING ELEVEN YEAR OLD. I wanted to say something so bad, but I kept quiet. Then Joe pulled him in for a hug and turned it around. I almost threw up when I saw what Joe was doing. Joe Had one of his hands on Charlie's back and one on his stomach, rubbing his stomach and smiling. JOE WAS IMPLYING HE WANTED TO GET HIM PREGNANT. I tried calling my dad, and then Charlie's parents. No one picked up. Joe then made a comment on how Charlie was more developed than me. He said that Charlie was about a “double c” and I was like an “a cup”. I've never felt so disgusted in my life. I took a look at what I was wearing and thought “I shouldn't have worn a crop top and shorts” but the problem was Joe. (I was wearing a white crop top and jean shorts, Charlie was wearing a light pink tank top and a cheetah print skirt)

Charlie : The whole experience was traumatizing, I've never been sexualized by an older man, let alone anyone. The second I got home I texted Joe about it. He didn't even seem bothered the slightest bit.



Mad at you for what? Stating the truth?
So you are just gonna start acting like Eden and Nymn
No I'm not
I'm just sick of you treating me like shit
Well, seems you aren't happy with who I am
I like you as a friend
Just like all the others ,eh?
But sometimes you take t too far
¿and what the fuck would I want some to do with you?
'Buh bye

He brought in the other victims' names into this. (The second doc wasn't made yet)

Homophobia and Transphobia

Both me and Charlie are lgbt. I still use my birth name but Charlie doesn't. It hasn't came out to his parents yet, so they used his deadname to Joe. We are sadly gonna have to announce that the Aubreigh in question is Charlie. Aubreigh is Charlie's deadname.

Charlie was practically forced to come out as agender when we met. About a year after the incident, I came out to Joe as Bisexual and Nonbinary. I told him my pronouns too.

Hey joe, this is a lot for me to share, so please don't judge. I've been awake countless nights wondering if I should tell you or not, but I will. I'm nonbinary and I use she/they pronouns, I'm also bisexual and asexual. I still go by Everly but you can also call me lev. I'm so sorry I'm texting you late at night.

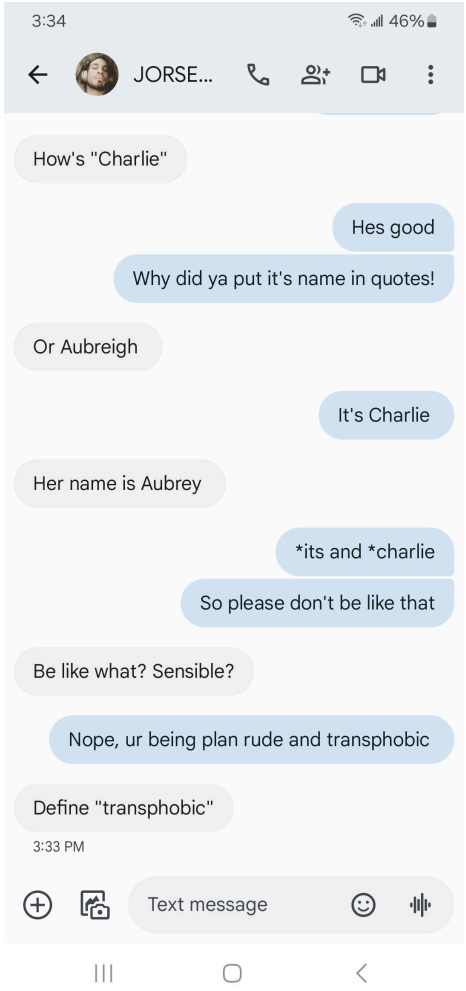
He also proceeds to say he doesn't believe in asexuality and asks me sexual questions.

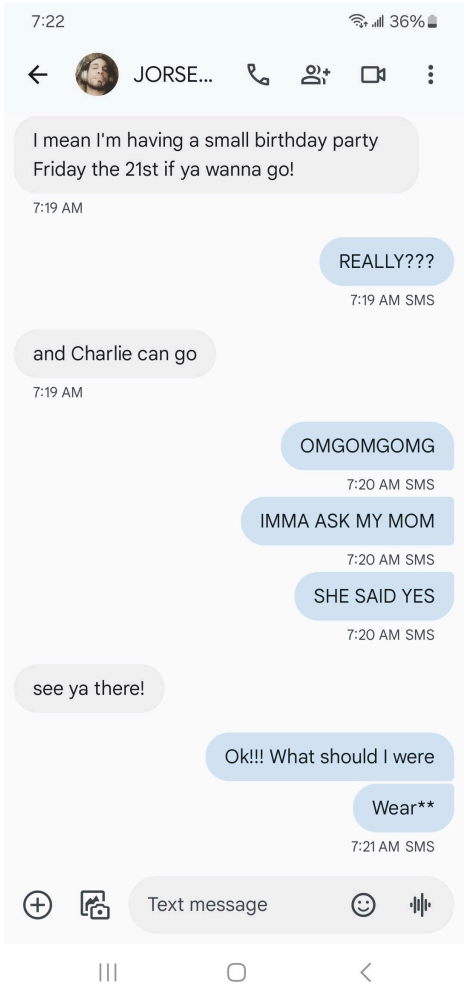


It's like he wanted to fight me over Charlie's identity. There has also been times he called Charlie an “inanimate object”

The Birthday Party (September 2023-now)

I remember coming home from school on 9/7/23 and about 4 hours later I got a text from Joe asking how I was and stuff. We talked then I asked him if we could meet somewhere again, he said he had a small party on the 21st and invited me. I was excited, but anxious. I asked my parents without thinking and they said yes. (I lived about an hour away from Joe, Charlie lives about 5 hours away) Charlie asked his parents and they said yes, Charlie's dad offered to pick

us up along the way. (Me and Charlie live about 4 hours away)



I asked what I should wear and he said anything I wanted, So I wore a white dress and black tights, Charlie wore a light blue dress shirt and dark blue dress pants.

Btw I forgot to ask yesterday, were are you having the party?

He told me where he's having the party. I spent nights worrying and denying. He wouldn't do something like this at his birthday, right?
The day of the party me or Charlie didn't go to school because of the drive. Charlie's dad picked us up around 1:30, and we arrived at Joe's house around 2:40ish. The party was from 6:45-9:00 pm. Charlie's dad for some reason was gonna drive back to his house to leave me Charlie and

Joe alone. When we arrived at the party, we got to meet Joe's mom, his two sisters and some of his aunts, uncles and cousins. None of his other friends came. Everyone there was surprised at how young we were. (I was 15 and Charlie was 12.) Joe was deadnaming Charlie to his relatives and I tried to correct Joe, everyone started getting aloof with me, except his sister Melissa. I remember caketime too clearly. Joe offered me and Charlie some of his alcoholic beverage, he knew we were underage. Joe's other sister Elizabeth insisted we should have a bit. We never did. When I was getting my slice of cake, A very drunk Joe made a comment about how I was eating too much. I only had two plates of small food and a slice of cake. He then made comments about me, saying that my breasts have gotten bigger since we met at the park. He also said Charlie had gotten curvier too. I had to text my mom. This was my mom's

reaction.
(Devon is Charlie's dad) I gave up on my mom as she wasn't being a help. We had to stay the night at Joe's. Both me and Charlie didn't sleep last night. We kept getting woken up by the sound of Joe whining and throwing up. The ride home was silent.
When my dad brought us home, we decided not to tell him anything. We were very quiet on the ride home. I kept looking at myself in my phone camera, trying to figure out I got “curvier” since the last meeting with Joe. I wasn't even a teenager. Joe was 41. An uncle of Joe's had told me that my stomach could have been flatter. I was never insecure about my weight until now. We

dropped off Everly, and I silently cried until I got home. I then proceeded to leave Joe a text saying he made us uncomfortable. He texted me to get over ourselves.

Overall rudeness

About a couple of weeks after I met Joe I started to get exposed to his severe mood swings. He could be this happy cheerful soul one minute than rude and disgusting the next

Was this about the park, the party, or something else?
Aperently, I'm good at disappointing people
So if I disappointed you, then fuck off
You never disappointed me
For the most part
Until you started acting mean, sexual and rude
Do you see what I mean joe?

Please don't ignore me, you and Charlie or the only things that make me happy

Dear Joe,
It has been lovely talking to you for the 2 years we did, but I've decided that I won't be talking to you anymore for your health and for my health. I wasn't going to tell you but you've actually made me really insecure about a lot. But you've also made me happy. I just can't take the mood swings anymore. I'm sorry. I do not want a message back. Thanks for your time with me and goodbye, I hope you recover. From, Everly

Joe was already aware that I wasn't gonna talk to him anymore. I was sad, but very relieved.

Conclusion

We want Joe Hawley fans to know he isn't who you think he is. He has groomed several people. He needs to get severe help, this has been going on since the 1st doc, before the first doc even. We can't remove him from tally hall because tally hall is a thing of the past. Our hearts go out to Eden, Nymn, the woman he groomed in the 3rd doc, Courtney Flynn, Haffey, and all Hawley victims. Thank you for reading, Love Charlie and Everly
